

Dear Colleagues!
October 10 – 12, 2018
Samara Branch
Moscow City University

II International Scientific and Practical Conference

CHILD AND THE WORLD: OPEN OPPORTUNITIES

Goal: bring together, systematize and integrate the experience of work, results of scientific research and practical activities related to the problem of supporting development of a child's personality in Russia and abroad.

Organizers:

Government of the Samara Region
Ministry of Education and Science of the Samara Region
Council of Rectors of Samara Universities
Moscow City University
Samara State Social and Pedagogical University
Samara State Medical University
Samara Branch of Moscow City University
Samara regional branch of the Russian psychological society

The conference will assist resolution of some fundamental problems: expansion of the field of analysis of the conditions of adaptation, development and learning of a child, generalization of international experience in the studies of social and psychological well-being of children, interrelation of cross-cultural, ethnical and practical psychology in the definition of value-based and philosophical foundations of socialization and ensuring health and safety of a child.
